

Bayou Magic

Once upon a time deep in a magical Louisiana Bayou, not far from Baton Rouge, three suns were shining, the trees were thick with new leaves, and mama duck was headed to work, with her purse and her two babies.

Her first stop was to Mr. Alligator's Camp. Mr. Alligator was 103 year old, and wise. He looked fierce but was in fact a gentle soul who spent his days caring for a collection of bayou creatures, from bees and turtles, to snakes, fish and an occasional egret.

The flowers on the shore line waved in the breeze as a spacecraft carrying three Aliens hovered over the water dropping off their pet alligator on their way to Mars. Alligators cant fly, but the Alien sometimes forget this. Hearing the cry from the small green gator, Jasmine the Dragon swooped down from her nest high in a cypress tree, and using her magic breath guided the little alligator safely to the water. And so another day began, and everyone was happy.
