Introduction

East Baton Rouge Parish Housing Authority (hereinafter called “EBRPHA,” “Housing Authority,” or “PHA”), a political subdivision of the State of Louisiana, is seeking a qualified vendor to provide an enterprise-wide software application system that will enable staff to run all aspects of housing management effectively and efficiently. The new application system must clearly demonstrate the ability to conform to all requirements of project-based accounting, budgeting, and management, to all requirements of the Department of Housing and Urban Development (HUD), and to Generally Accepted Accounting Principles (GAAP). It is the intention of the Housing Authority to purchase a complete software package that will result in fully automated management, financial, and accounting functions.

Background

The Housing Authority is classified as a large PHA with 12 Affordable Housing (Public Housing) developments with approximately 900 units and manages more than 4300 Housing Choice Vouchers (Section 8). The Housing Authority also has the following programs: Veteran’s Affairs Supportive Housing, Homeownership, Emergency Housing Voucher, Family Self-Sufficiency, Mod-Rehab, Project Based Voucher, Rental Assistance Demonstration, and Resident Opportunities and Self-Sufficiency, and Choice Neighborhood Implementation grants. Review Process and Award

EBRPHA may, at its discretion, request interviews/presentations by, or a meeting with any or all contractors, to demonstrate product, clarify, or negotiate modifications to the contractor's proposal. However, EBRPHA reserves the right to make an award without further discussion of the proposals submitted. Therefore,

proposals should be submitted initially on the most favorable terms, from both technical and price standpoints, that the contractor can propose. EBRPHA contemplates award of the contract to the responsible and responsive bidder whose proposal meets the requirements of the solicitation and is the most advantageous to EBRPHA, based on the highest total points and its decision is final.

Notice to Vendor(s)

All materials provided to EBRPHA become the property of the Housing Authority and may be returned only at its sole discretion. All proposals and any materials submitted with a proposal may be deemed public records subject to disclosure pursuant to the Public Records Act. No portion of any proposal or materials submitted therewith will be withheld from disclosure as proprietary, trade secret, or confidential unless that portion is clearly marked by the contract as such, and the vendor agrees to indemnify EBRPHA against any claim or action to compel disclosure of such portion of the proposal. EBRPHA is not obligated to accept any proposal or to negotiate with any entity. All transactions are subject to final approval of EBRPHA, which reserves the right to reject any and all proposals without liability.

Rejection of Proposal(s)

EBRPHA reserves the right in its sole discretion to reject any or all proposals, in whole or in part, without incurring any cost or liability whatsoever. All proposals will be reviewed for completeness of the submission requirements. The proposal may be rejected if it fails to meet a material requirement of the RFP or if it is incomplete or contains irregularities. A deviation is material to the extent that a proposal is not in substantial accord with RFP requirements.

Immaterial deviations may cause a proposal to be rejected. EBRPHA may or may not waive an immaterial deviation or defect in a proposal. EBRPHA waiver of an immaterial deviation or defect will in no way modify the RFP or excuse a vendor from full compliance with the RFP requirements.

Any proposal may be rejected where it is determined to be not competitive, or where the cost is not reasonable.

Proposals that contain false or misleading statements may be rejected if in EBRPHA's opinion the information was intended to mislead EBRPHA regarding a requirement of the RFP.

EBRPHA may reject a proposal from a vendor it finds non-responsive. Any person or entity that has substantially assisted EBRPHA in preparing any part of this RFP is prohibited from submitting a proposal. Submission of a proposal to EBRPHA shall constitute the vendor's certification that the proposal is not collusive.

Compliance with Laws

Any vendor must contractually agree and certify that it will comply with all applicable federal, state, and local laws and regulations. Any vendor must contractually agree to include the non-discrimination and compliance provisions of this clause in any and all subcontracts to perform work under the agreement.

Contracts shall not be awarded to debarred, suspended, or ineligible contractors. Contractors may be suspended, debarred, or determined to be ineligible by HUD in accordance with HUD regulations (24 CFR Part 24) or by other Federal agencies when necessary to protect housing authorities in their business dealings.

Contractors are required, to the greatest extent feasible, to provide opportunities for training and employment for lower income residents of the project area and to award subcontracts for work in connection with the project to business concerns which are located in or owned in substantial part by persons residing in the area of the project, as described in 24 CFR 135.

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.
