

**AGENDA ITEM NUMBER 2:
CAPITAL FUND LOAN COMMITMENT- NORTH BOULEVARD ACQUISITION
RESOLUTION NO. 2022 – 11**

Mr. Daniels presented the item and noted that the Capital Fund Loan Commitment will be a loan to Partners Southeast from the Housing Authority. Mr. Daniels further explained that Partners Southeast will then use some of those proceeds to function as equity for the acquisition of 4550 and 4560 North Boulevard. In addition, a loan from Liberty Bank has been obtained to secure the acquisition, which is projected to close in late August. Mr. Daniels further noted that our operational strategy is to keep the tenants in place at the property which is approximately 53,000 square feet. The majority of the tenants are within the three-story medical office building that sits on the west side of the site, which is approximately 50% occupied. The east side of the property, 4560 is under a 99-year ground lease that does not propose any type of risk to development, with 40 years remaining, expiring in 2062; with a monthly ground lease fee of \$2,000. He further noted that our redevelopment strategy is to first develop a 76-unit senior deal; that which would facilitate the relocation of our Sharlo residents. Commissioner Barron made a motion to approve, and Commissioner Banks seconded the motion. No abstentions or oppositions were noted. No further discussion was made.

MOTION PASSED

CHIEF EXECUTIVE OFFICER REPORT
A. EXECUTIVE UPDATE**

Mr. Daniels noted that Commissioner Payton was reappointed to the board for another five-year term and that equally as important, Commissioner Brown was awarded Commissioner of the Year by Southwest NAHRO. Mr. Daniels further discussed the matter of the Employee Retention Credit. He noted that the agency could not participate because we are a political subdivision of the state. Mr. DeCuir also noted that specifically all political subdivisions, state government, and local government municipalities are excluded. Mr. Daniels noted that there is an opportunity for Partners Southeast to obtain the credit, given that it is a non-profit. He further noted that we are progressing in efforts of playing a supplemental role with New Roads; that our intention is to take over the program permanently in January 2023. He continued stating that the agency received awards at the Southwest NAHRO including Special Accomplishment by Agency, due to our partnership with EBR schools, the Tech-ready Program, providing our families with laptops, WIFI's and Google tablets, the Nan McKay Scholarship, and the Single Accomplishment by an Employee. Mr. Daniels further discussed that there has been turnover in some positions and commended the leadership team for stepping up. Commissioner Payton asked if there were any questions.
